WE ARE THANKFUL
FOR YOU!

WE ARE

Thankful

FOR YOU!

At TRM, we have the joy of hearing stories of gratitude like this every day. We get to see the relief, the happiness, and the tears on the faces of our guests and those in need in our community as they learn - often for the first time - that they matter, they are valued, and they are loved. Their stories empower and embolden us as we continue to do the hard work to make changes in the lives of those in need.

But the reality is we could not do any of what we do without you, the ones who faithfully give of your time, prayers and resources, who come alongside us and offer support and encouragement when we need it most. You inspire us to keep going and let us know every day that we are not alone in this work! In this unprecedented time when no one has been spared from hardship, some from the loss of jobs and housing to the loss of friends and family, we recognize that you are still with us, despite the personal

challenges you too may have faced. You have showed us over and over again that you care for those who have suffered, who have lost everything in their lives, who have faced hunger, homelessness and poverty. You have stood there with us as we continue to care for the most vulnerable, in a time when many of us are more vulnerable than ever before. In this season of thanksgiving we want to thank each of you for everything you have so faithfully done this past year to support TRM. Volunteering, praying, donating - YOU are the reason

we get to be a beacon of hope in the lives of those in need! As Paul said in Philippians 1:3, "I thank my God every time I remember you", we also thank God when we think of each of you. You have faithfully supported us in meeting the needs and bringing the hope of the good news of Jesus Christ to those who suffer. This Thanksgiving, we pray that you are blessed just as you have blessed us and all those we have served this year. THANK YOU for being a vital part of the TRM family! †

TRM has helped us out a lot! Food, clothes, shelter, and showers like this! We're grateful for it a lot!

Having understanding women reach out to me, go to extra lengths, start a friendship and support me is what I needed and they maxed all those areas with a smile and my full trust to confide in them.

If it wasn't for the Rescue Mission, we'd go hungry a lot of times. It helps to pull me through, I also take care of my little grandson and he eats all the time! If it wasn't for the Mission I'd be in worse shape than I am.

I'm thankful for the Hope Center- It's a place that you know are going to be wrapped in the wings of an angel, but with lessons from Ms. Debra. This is a place with love and care, a place where you feel the power of Jesus.

-Kim

“

The Mission has given me a chance to get my life back together. A new beginning.
